Virginia Treasury has returned over \$1 Billion in Unclaimed Property to Citizens!

Pursuant to Chapter 25 of Title 55.1 of the Code of Virginia entitled, The Virginia Disposition of Unclaimed Property Act, notice is hereby given that the persons listed appear to be the owners of abandoned personal property. The property is in the custody of the State Treasurer and will remain there until ownership is established. Persons believing to be the owner or legal heirs may start the claim process on our free search site www.vamoneysearch.gov. To avoid duplication, please create only one claim for each person claiming property.

> David L. Richardson State Treasurer

You may have unclaimed property even if your name is not included in this insert. Go today to our free website and search and start the claim process for any unclaimed property you may have in our database.

Unclaimed Property can be dormant or inactive bank accounts, uncashed checks, stocks, dividends, safe deposit box contents, etc.

Be aware of malicious actors asking you to pay by check or money order to claim unclaimed property. Our program is a zero cost and free public service administered by The Virginia Department of the Treasury
